

Marketron is excited to invite you to join our newly developed discussion forum! The purpose of this forum is to provide you with an on-line means to interact not only with the TvSCAN team, but other TvSCAN users as well. Come join in to share ideas, to keep up with what's new in TvSCAN, the television industry... AND MORE!

Share Your Opinions & Ideas

The television industry is a constantly changing environment. Use the forum to find out information on industry trends and changes. You can post questions or share your thoughts about upcoming or current events that affect your sales efforts.

Share User Tips & Suggest Enhancements

Do you have an idea for an enhancement that would benefit your sales staff? Have you thought of a new way to use current options that other users might find useful? You can share your ideas with the other forum visitors. You might find a tip from another visitor that can help you as well.

Sign Up for Free Training Classes

The complete TvSCAN training class schedule is available for you to view. You can pick the class that fits your schedule and register with a couple of clicks.

Check Out Data Release Schedules

Want to know when your data will arrive? All the latest estimated data release schedules are available in the "Data Depot" so you can plan your schedule to include the most recent breakouts.

Get the Latest Scoop on What's New

You can view the "What's New" docs with just a click and see what new features have been introduced.

How to Register

- 1) Go to <http://www.tvscan.com/forums>.
- 2) In the upper right hand corner, you will see the Register link.
- 3) Read the forum rules, click on the box beside **"I have read, and agree to abide by the Marketron TvSCAN rules."** and then click on the **Register** button.
- 4) Create a user name and fill in all the required fields. You will be required to use a station- or group-based e-mail address and provide your station call letters or group affiliation for authorization purposes. Once your information is complete, click on the Complete Registration button at the bottom of the page.
- 5) Upon completion, you will be sent an e-mail confirmation from "TvSCAN Forums." You must complete the registration by following the link below **"To complete your registration, please visit this URL:"** in the e-mail.
- 6) When we receive your activation and approve your access to the forum, you will receive a follow-up e-mail stating your account has been activated. You are then ready to participate in the TvSCAN forums.
